

GRANT SUPPORT SERVICES

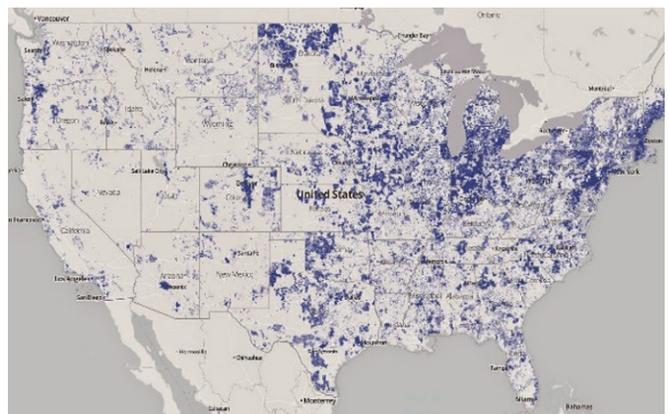

ENTRUST's Grants Team provides both grant origination and post-award services for your organization. Grant originations help you secure funding to accelerate your infrastructure design and deployment, thereby increasing the leverage of your capital investments.

KEY FEDERAL PROGRAMS INCLUDE (BUT NOT LIMITED TO):

- **NTIA:** Broadband Equity Accessibility and Deployment (BEAD)
- **USDA (RUS):** Rural e-Connectivity (ReConnect)
- **DOE:** Grid Resilience and Innovation Partnerships (GRIP)
- **USDA (RUS):** Powering Affordable Clean Energy (PACE)
- **USDA (RUS):** Empowering Rural America (New ERA)
- **DOT:** Natural Gas Distribution Infrastructure Safety and Modernization (NDGISM)
- **DOI (Bureau of Indian Affairs):** National Tribal Broadband Grants

Upon client award, the EN Grants team provides complete post-award consultancy, advisory, and execution services to ensure you stay in compliance with grantor obligations.

MORE THAN \$600 MILLION IN CLIENT FUNDING ASSISTANCE WON (>80% SUCCESS RATE).
